Subject: Notice of File Closure for Small Mining Project; Nolan Walker; TW I, II, III,
& IV Project; S/055/002, Wayne County, Utah

Dear Mr. Walker:

This letter is to notify you that the permit #S/055/002, for the TW I, II, III, and IV small mining project, located in Wayne County, Utah, will now be closed and the file retired.

We received notification from the BLM that they inspected the project area on May 11, 2004, and found the surface reclamation was satisfactory. The BLM subsequently closed out their case file for this project. As your project is located on BLM managed lands, the Division will accept the BLM's recommendation and also close our file for this project accordingly.

You are hereby released by the Division from further mining or reclamation responsibilities at this site. If you wish to conduct any future mining related activity in this area, you will need to submit a new notice to the appropriate agency(ies), pay the Division permit fee, and receive written approval(s), prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5261. Thank you for your time and consideration in completing the required reclamation on this project.

Sincerely,

Paul B. Baker
Senior Reclamation Biologist
Minerals Regulatory Program
